- YouTube video - This video is recorded by Dr. John Jose from IIT Guwahati. Please watch this lecture to clear the basic concepts of NoC.
- The lecture slides of Dr. Manju - Please go through the slides once. Try to understand the basic concept of Hardware Trojan (HT).
- Two research papers: SECTAR and BHT-NoC. I will explain these papers again in today's class. These two paper can also be used to clear the basics of NoC security and HTs.
